Dear [First Names],

This year marks a significant milestone for us as we celebrate 30 years of marriage. Reflecting on our journey together, we are filled with gratitude for the blessings of love, companionship, and growth that God has bestowed upon us. Last year, we had the joy of witnessing Steve and Glynis celebrate their 50th wedding anniversary, a testament to God's faithfulness and grace in sustaining marriages.

As we look back on our own experiences and the support we've received from Teams, we are reminded of the invaluable role that Teams plays in strengthening marriages and deepening our relationship with Christ. The fellowship, guidance, and encouragement we've received from fellow couples in our Team have been instrumental in navigating life's challenges and growing closer to God.

This year, we invite you to join us in reflecting on the blessings of marriage and the ways in which Teams has enriched your journey. Isn't it a blessing to walk alongside other couples in this sacred journey of love and faith?

While our hearts are full of gratitude, we also recognize the ongoing need for support to sustain and expand the work of Teams. The cost of fostering the growth of Teams is approximately \$712 per day, covering essential expenses such as printing materials, website fees, and training. Your generous contributions fuel every information meeting, every new Team in piloting, and every meeting, event or gathering that supports our Christian marriages.

In 2023, only 24% of our members made a gift. Just imagine the impact if 100% of our members contributed! Together, we can make a difference and ensure that Teams continues to thrive, touching the lives of countless couples and families.

Enclosed, you'll find a reply card and envelope for your check, or you can visit www.teamsofourlady.org to securely donate online via credit card. Please avoid sending cash.

If you have any questions or need assistance while making a gift, please don't hesitate to reach out to us at info@teamsofourlady.org. Your generosity is deeply appreciated and will make a meaningful difference in the lives of couples around the world.
